

# YOSEMITE VALLEY STAGECOACH ROAD NATURALIST HIKE

Spring, Fall & Winter\*

See Yosemite Valley at its finest with this combined Valley tour and guided hike along an abandoned stagecoach route to one of Yosemite's most spectacular, historic and least known vistas!

Visit the Valley's most famous waterfalls and vista points, with a variety of stops along the way. This hike follows the historic Old Big Oak Flat Stagecoach route, which brought stagecoaches into Yosemite Valley for the first time in 1874.

Nature has done its best to reclaim the road, but a wonderful, gradual trail still remains. It provides magnificent postcard views, yet is unknown to most visitors.

Enjoy stunning views of Half Dome, Bridalveil Fall, climbers on El Capitan, and more, while getting an insider's perspective on Yosemite flora, fauna, geology and natural history.
